NETBOX PB (Profilebox)

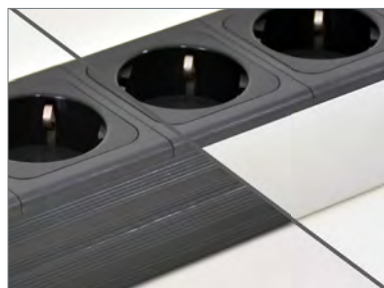

Power Strip NETBOX PB (Profilebox)

The various possible uses of the **NETBOX PB** underline its status as an all-rounder among multiple socket outlets. It can be used in almost any application.

Separate circuits within the **NETBOX PB**, master-slave circuits and many other special and standard applications can be implemented.

Thanks to various end caps, the **NETBOX PB** can be used in a wide variety of installation situations such as cable ducts, raised floors or network cabinets.
